

Residential Visit Leader Training

Helping staff to run brilliant and safe residentials

Course Outline

Training for visit leaders on key aspects of managing residential educational visits
Attendance on this course is required before attending the afternoon overseas and exchange visit leader training.

This course will cover key elements from National Guidance for residential visits and explore a number of examples and issues by using case studies and scenarios. This will build competence and confidence to plan effective residential visits.

Outcomes:

- Provide key safety management information
- Increase confidence and competence in leading residential visits
- Ensure effective planning of residential experiences
