

Inclusive Digital Technology

Outline

Do you know about the free accessibility features within Microsoft Office 365 and Windows 10? Join us to find out how to use these tools and settings to support your learners.

Description

This session will look at some of the in-built accessibility features available within Microsoft Office 365 and Windows 10 and how these can be used to support learners with additional needs. We will explore:

- Use of Immersive Reader, Dictate and other Learning Tools.
- Windows 10 settings and how these can be adjusted to meet learner's needs.
- Use of keyboard shortcuts.
- Sources of help and support for using accessibility settings.

Outcomes

Attendees will:

- Understand how and when to use the accessibility settings and tools within Microsoft Office 365 and Windows 10.
- Know where to look for additional information and support.

Inclusion and SEND Learning Network
