

Medical Needs Service Twilight

This twilight session will support settings and professionals to understand the role and service offer of the Medical Needs Team at Norfolk County Council.

The session will include:

- An introduction to the medical needs team and the service offer
- How to refer to the team
- The joint protocol between health services and schools
- Statutory guidance around supporting pupils with medical conditions
- An opportunity to discuss some case study examples

Delegates will be aware of the Medical Needs Service, understand what support they offer and know how to make a referral.
