

YOU ARE INVITED!

All Families Are Welcome

We are all passionate about improving children's speech, language and communication.

We are looking for families to come along and help us shape the future of systemwide Speech and Language support in Norfolk and Waveney.

Our workshop will focus on how we can work together to make Norfolk and Waveney communication friendly and ensure that every family gets the speech and language support they need.

Wednesday 29th March

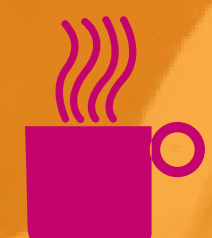

9:30am - 12:00pm

(You are welcome to attend part of the session if needed)
