

INSET**Health Education**

Improving Knowledge and Understanding of Drugs and their Effects

The objectives of this course are:

- to raise staff awareness of different types of drugs and their effects;
- to increase knowledge and understanding of the extent and current patterns of drug use;
- to raise staff confidence in discussing drug use.

All participants should bring along with them any resources/materials which they currently use and would like to discuss.

Course Leader: Barry Gibson

NB There is NO CHARGE for this course which is funded from Standard Funds Grant.

Cost: £0.00
