

INSET

Numeracy

Five-day Maths Course (KS2) - February Half Term

We have a limited number of fully funded places that have now become available on this 5-day National Numeracy Strategy course, consisting of 4 days of centre-based training, and 1 day of 'in-school' based activities.

The course will look at: **"Developing mathematics in Years 4, 5, and 6"**.

This course is organised specifically to assist schools who have difficulty in obtaining supply or releasing teachers during term time. Supply will be allocated at £545 per delegate, with the intention that the teachers are paid £400 for attending during half term and a weekend (which does not take in account on-costs), and £145 to cover supply for the 2 half-day school based tasks. Delegates can enjoy the very pleasant surroundings of the hotel, and the more informal, relaxed approach to the training. ***Past delegates have repeatedly rated this course as excellent !!***

16/17/18 Feb - Coffee and registration from 8.45 for a 9.00 start. Lunch each day will consist of a carvery or buffet. Finish at approx. 3.30pm.

06 March - Coffee and registration from 8.15 for an 8.30 start. Substantial continental style buffet breakfast will be served around 10.00. Finish at approx. 1.00-1.30pm.

Cost: £0.00

Funded by Standards Fund

Date	Time	Venue	Activity Ref.
16/2/2004	9.00 - 3.30	Barnham Broom Hotel (Monday)	3MN026
