

INSET**Numeracy**

New Five-day Maths Course for Subject Leaders (KS2)

We have a limited number of fully funded places that have now become available on this **new version** of the National Numeracy Strategy Five-day course.

The course is appropriate for Subject Leaders, and teachers in their 2nd/3rd year of teaching, who have an interest in becoming a Maths Subject Leader. Delegates will need to have already completed the original Five-day training before attending this course.

The course aims to:

- **improve teaching and learning in mathematics in Key Stage 2**
- **increase teachers' mathematical knowledge and understanding**
- **increase teachers' understanding of progression and expectations in mathematics**

There will be 3 training days, with tasks to carry out at school before the course and between the 3 training days. It is important to stress that the tasks form a vital element of the course, and the training days do depend on teachers having undertaken all 3 sets of tasks.

Coffee and registration from 8.45 for a 9.00 start - refreshments and lunch will be provided. Finish at approx. 3.30pm.

Supply will be allocated following attendance at £145 per day.

Details of the course programme and content, plus pre-course task information and a list of materials to bring to the course, will be sent out nearer the time.

Cost: £0.00

Funded by Standards Fund

Date	Time	Venue	Activity Ref.
2/3/2004	9.00 - 3.30	Norwich Professional Development Centre	3MN028
9/3/2004	9.00-3.30	Day 2	3MN028
25/3/2004	9.00-3.30	Day 3	3MN028

To apply for a place at this activity please complete a booking form and return it to:
