

**INSET****Mathematics / Numeracy**

## Key Stage 3 - Securing Progression in Handling Data

A half-day training session for Heads of Mathematics or a key teacher, reviewing the use of the Year 8 handling data mini-pack and considering adaptations applicable for Year 7 and Year 9.

Participants should be familiar with, and preferably have led their department in, implementing the Year 8 Handling Data unit.

Participants will be expected to lead, or make a significant contribution to, the development of their departmental plans for teaching handling data in order to secure progression through Key Stage 3.

**This course is suitable for Middle Schools looking at working with their able pupils.**

All participants should bring along their 'Framework for Teaching Mathematics Years 7, 8 and 9'. A sandwich lunch will be provided at the conclusion of the session.

Course Leaders: Pauline McLean/Mike Newton

**Cost: £0.00**

**No charge - Funded from the Key Stage 3 Strategy.**
