Early Years Team

Involving Parents in their Children's Learning

Following on from our Annual Early Years Conference, this two day course enables participants to develop:-

- an understanding of the theory and the practice that underpins working with parents.
- an understanding of how to evaluate current practice in relation to involving parents in their children's learning in early years settings.

Participants who embark on this project will be supported throughout the year as they conduct an audit, construct an action plan and implement and review the impact of changes made.

Course Leaders: Members of the Early Years Team

We have allocated places for 40 practitioners and are keen to achieve a balance of schools, independent schools, nurseries, preschools and playgroups. This two day course is fully funded by the EYDCP and money for supply is also included.

As will all courses this year there will be a charge of £10 for any cancellations made within 5 working days for the conference.

Cost: £0.00**NO CHARGE - FUNDED BY EARLY YRS PARTNERSHIP**
