Scientific Enquiry in Primary Science

The objectives of the course are to:

- identify opportunities for different types of scientific enquiry within the Science QCA units
- identify how we might develop specific Sc1 skills
- identify how we can enrich the Sc1 experience for pupils by offering a range of different focused enquiries
- engage in a workshop activity demonstrating a range of practical strategies for use in the classroom.

Refreshments will be provided.
Course Leader: Steve Cumberworth

Cost: £60.00
