

INSET**Science**

16 Banned Experiments

For Technicians and Science Teachers

Applied wrongly, the COSHH Regulations could stifle school chemistry. Using demonstrations, the course shows that procedures and materials thought to be very dangerous can be carried out safely once a risk assessment is applied. Indeed, many alternative procedures give very entertaining observations.

Refreshments will be provided.

Course Leader: Bob Worley, CLEAPSS

Cost: £25.00

Date	Time	Venue	Activity Ref.
11/11/2003	4.00 - 6.00	Alderman Peel High School	3SN017
