

INSET**Science**

Microscope Servicing

Practical to enable technicians to strip, clean, lubricate, re-assemble and test student-type biological microscopes. Electrical safety of illuminators. Participants are asked to bring two microscopes with them from school (preferable one junior and one advances; stereo microscopes are NOT suitable).

Also, if possible, bring a soft tint free cloth, a set of instrument screw drivers, a set of Allen keys and a white coat or overall.

Lunch and refreshments will be provided.
Course Leader: Ken Aberdeen, CLEAPSS

Cost: £70.00
