Heads of Science Conference

This annual conference is for Heads of Science from both Cambridgeshire and Norfolk.

We are still finalising the programme but it is hoped it will include input from:

- the Director of the new Regional Science Learning Centre
- four interactive workshop sessions looking at practical classroom aspects of literacy, numeracy, ICT and how scientists work
- the nature of science, how scientists work and how we can develop pupil involvement with science

Plus the usual time to renew old acquaintances and develop your networking skills!

Refreshments will be provided.
