

INSET**Environmental Education**

Energy Management for Premises Managers, Caretakers, Bursars, Governors

An essential workshop for those at the sharp end of school resource management. This course will give you the confidence and ongoing support to achieve a whole school approach to energy management. It aims to help you with practical, workable solutions and COST savings.

The programme will include:

- guidance on energy saving from good housekeeping and practical low cost measures
- workshops on monitoring, target setting and meter reading
- guidance on conducting an energy walk around and preparing an energy plan for the school with tips on pupil, governor and teacher involvement

The day will include an energy audit at a local school (with pupil input) and a chance to discuss specific issues with the County Energy Adviser e.g. tariff negotiation and grants.

THIS COURSE HAS BEEN SUBSIDISED BY CREATE AND ACTION ENERGY

Bring along...Energy and water bills from past 2-3 years if possible

Refreshments will be provided.

Course Leader: Ann Safferey, (CREATE) Centre for Research and Training in Energy, in partnership with ACTION ENERGY and Norfolk County Council.

Cost: £30.00

Date	Time	Venue	Activity Ref.
