Design and Technology: Teaching and Learning Mechanisms and Control

This course will:

- provide a comprehensive introduction to mechanisms and control appropriate to Y1 to Y7
- give opportunities for delegates to make models and examples to take back to their school to support teaching and learning both in their class and throughout the school
- provide opportunities for teachers to develop their own capabilities and confidence to teach design and technology very well.

Refreshments and lunch will be provided.

Your Course Leader is Jane Wheeldon.
