Assessment in Physical Education - Practical Solutions for Key Stage 1 and 2

This course is designed to give practical solutions to assessment in PE in the Primary School. It will clarify the difference between achievement and attainment. The course will look at formative and summative assessment as well as pupil self-evaluation. The course will look at a method of recording pupil attainment compliant with the QCA Scheme of Work and National Curriculum. Benchmarking, target setting and value added will also be covered so that schools can monitor whether or not they are in-line with national expectations.

Please bring along any existing assessment material.
Course Leader: Martin Radmore
