## Games Teaching in the Primary School

This course is designed for anyone who wants to review the way they teach Games, gain inspiration and ideas. The course is designed to be practical and will take you through the progressions to ensure that pupils learn the knowledge, skills and understanding that the National Curriculum requires but that they learn it through a fun way.

The course will look at issues around small schools and schools with poor or no facilities. This course will also further develop and expand the TOPs ideas, particularly around inclusion.

Could you please wear practical loose clothing and footwear to allow freedom of movement.  
Course Leader: Martin Radmore
