# Risk Management in Primary Phase Physical Education

This course is accredited to and certified by the British Association of Advisers and Lecturers in PE who produce the good practice guide on health and safety in PE. The course will provide colleagues with a very clear framework on managing risks in PE in their schools, answer specific questions with regard to health & safety and is a must for all schools.

The objectives of the course are to:

- ensure all schools comply with legislation and good practice in relation to the teaching of PE in schools.
- ensure that schools comply with H & S legislation in relation to recognising, recording and controlling risks.
- provide schools with the current good practice guide for H & S in PE.
- ensure colleagues are informed and confident in assessing hazards and risks in their school settings.

Refreshments and lunch will be provided.
