## **KS3 ICT - Year 7 : transfer and progression in ICT - CORE TRAINING**

This training unit focuses on the key challenge of transfer from Year 6 to Year 7 and, in particular, on ensuring continuity and progression in teaching and learning, from one year to the next. Although the materials focus on the move from Year 6 to Year 7, the principles are equally applicable to the transfer and transition from middle schools to upper schools.

The training will focus on four objectives:

- to raise awareness of pupils' ICT experiences in Key Stage 2
- to identify continuity and plan for progression from Year 6 to Year 7
- to develop inclusive strategies for groups of pupils in Year 7
- to plan effective transfer procedures in ICT

**Participants will need to be familiar with and also bring with them copies of Sample teaching units 7.1 and 7.4.**

Refreshments will be provided.

Course Leader: Andy Fidler, Richard Gates

**Cost: £0.00**

**NO CHARGE, SUBSIDISED BY KS3 ICT**
