

SPOTLIGHT on the use of Interactive White Boards to Support Pupils' Learning

We have much to celebrate in Norfolk schools. Every school has something to offer.

The purpose of this NEW '**Spotlight on Norfolk Primary Schools Programme**' is to celebrate those successes and to share good practice.

The first of these events is going to be held at Catton Grove Middle School, Weston Road, Norwich during the first week in FEBRUARY 2005 (31st Jan - 2nd Feb).

Catton Grove Middle School achieved 'Centre of Excellence' status from the company 'Promethean Technologies Group Ltd' last year. Teachers throughout the school have developed expertise in the use of Interactive White Boards (IWBs) in all aspects of the curriculum and would be happy to share their work with colleagues from other schools.

The school will be open for visitors during the 3 days. Colleagues are welcome to observe the use of IWBs during lessons and at the end of each day there will be opportunities to talk to the staff and to try your hand at using the software.

For exact details of how to find the school go to the web site <http://intranet.esinet.norfolk.gov.uk/> and you will find a link to a map of the area. Parking will be available at the school.

Refreshments will be provided at a cost of £1.00 per person payable on the day.

For further information please contact Sharon Buxton, Maggie Evans or Tim Lawes at the school on 01603 426728 or via e-mail at: office@cattongrovemiddle.norfolk.sch.uk
