The Power of Puppets

The aim of this workshop is to build confidence in the practitioner in the use and manipulation of puppets.

The workshop is very practical with each delegate having access to many different types and sizes of puppets to work with and try. There will be demonstrations of basic puppetry techniques and tips on how to use puppets within the Foundation Stage. The workshop shows just how many aspects of teaching and learning can be fun and informative through the media of puppetry and most importantly of all anyone can do it!

Course Leader: Peter Lockey - Puppets By Post

IMPORTANT CHANGE: NO CHARGE for this course - funded by Government money for the Foundation Stage. However, **ALL** practitioners in maintained and non-maintained school/settings will be responsible for their own travel and supply costs.
