How to use the Foundation Stage Profile

Teachers with responsibility for children in the reception year will need to use the Foundation Stage Profile. This course will be particularly useful to those practitioners who;

- have not attended previous training
- are new to teaching children in the foundation stage

NQTs are strongly recommended to attend.

This course will;

- make clear the procedures for using the Foundation Stage Profile
- outline recommended good practice in early years assessment
- offer practice in moderating judgements using video tape
- provide information on moderation and use of data

Teachers may wish to be accompanied by their learning support assistant.

Please bring a copy of the Foundation Stage Profile handbook (pink ring binder) and a Foundation Stage Profile individual pupil booklet.

NO CHARGE for this course - funded by Government money for the Foundation Stage. However, **ALL** practitioners in maintained and non-maintained schools/settings will be responsible for their own travel and supply costs. Refreshments will be provided.
