Teaching Children To Think

This one-day course is for schools who wish to develop thinking skills across the curriculum. It is aimed at schools which are at the beginning, or an early stage, of developing 'thinking for learning'.

Delegates will learn about:

- what we know about the way the brain works and the implications for learning and teaching
- the LEA's Thinking Schools : Thinking Children project and the practical strategies developed for teaching children to think.

Refreshments will be provided.

Course Leader: Roger Eagle

Cost: £115.00
