CIEH Foundation Certificate in Food Hygiene

It is recommended that each school should have one member of staff qualified in Basic Food Hygiene to ensure that the food technology environment and classroom practice meet the required standards of hygiene.

Upon successful completion of a multiple choice type examination, course members will receive the CIEH Foundation Certificate in Food Hygiene.

The aim of the course is to provide teachers and teaching assistants with the opportunity to gain the CIEH Foundation Certificate in Food Hygiene.

If it is more than five years since you gained your certificate, it is stated by the CIEH that you retake this course.

For those people that gained their original certificate within the last five years, it is stated that you take the shorter update course available on Wednesday 9th Feb 2005.

A text book to accompany this course will be sent to you prior to the course.

Refreshments will be provided.

Your Course Leader is Liz Taylor.

Cost: £115.00
