Assessment

Assessment in Mathematics at Key Stage 2

The course will focus on assessment procedures for experienced subject leaders/assessment coordinators in mathematics. By the end of the course participants will:

- be clear about the performance of pupils in the end of Key Stage 2 national tests, and priorities for the future
- be able to identify the features of performance of groups of pupils, e.g. boys, the more able, etc.
- be aware of effective strategies for assessment for learning and tracking pupil progress in mathematics

Refreshments will be provided.
Course Leader: Robin Ings
