

Primary Data Support Package 2023-2024

Early access to your School Performance data in the summer term and ongoing support throughout autumn and spring term.

The package is built around an extended range of unique interactive dashboards, with the addition of an ongoing series of training sessions either face to face or online and a personalised one to one with an experienced specialist adviser, which will ensure your school is fully supported with your data analysis needs.

Your early results dashboard will allow you to get ahead with your School Self Evaluation and Development Plan, ready to hit the ground running in September.

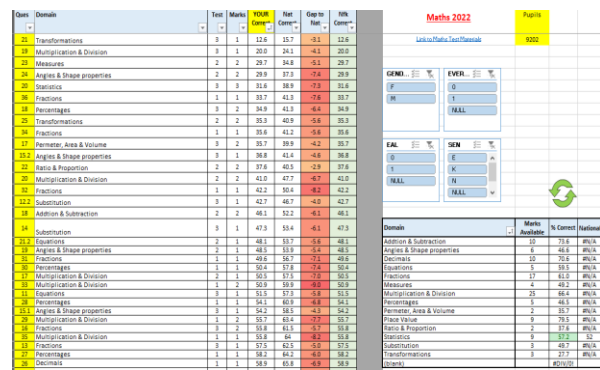

What's included?

Interactive Dashboards

July - Early Results Dashboard

September/October – QLA Dashboard

September/October – Provisional Results Dashboard

January – Validated Results Dashboard

Training Sessions

- July - Early Results Session (one delegate place)
- September/October – QLA Session (up to three delegates places to include your English and Maths Leads)
- November/December – IDSR Session (one delegate place)
- December/January – ASP Session (one delegate place)

Personalised Support

- July-January – One online personalised session to discuss your Results Dashboards, QLA Dashboard, IDSR or ASP report.

Where and When?

Sessions will be face to face or online. Face to face sessions will be held at locations based on the geographical spread of those who purchase the package or at a specified MAT location.

Dates for sessions are subject to the release of performance data by the Department of Education and therefore cannot be finalised, until these have been confirmed.

Schools will be informed in advance of dates and locations as they become available.

What is the cost?

NOR	Cost
<150	£250
151 - 299	£400
300 - 599	£600
600 - 999	£900

The standard cost is based on number of pupils on roll for an individual LA school. A bespoke quote will be provided for federations or groups of LA schools.

(Please note, when purchased as a federation/group, all schools will need to agree to share pupil level data across the group, as each school will have access to all data from each school.)

How to book?

If you are interested in purchasing this package, please complete this [Enquiry Form](#) to receive your quote and a booking form to confirm your purchase.

If you have any further questions or would like to discuss the package please contact landitraining@norfolk.gov.uk
