

SEND Data and Census twilight

Outline

The session will enable delegates to understand the Norfolk and national context around SEND data and provide supporting tools for them to compare this to data for their own setting.

Description

The session will review the national and Norfolk data context for mainstream primary and secondary settings, including:

- % SEN support and % EHCP
- % CYP in each of the four broad categories of need
- % CYP in the wider (January) census categories
- Attendance and exclusions data
- Progress and attainment data

The session will consider SEND coding for the census and provide guidance around the completion of the 'Inclusion in a nutshell' tool.

Outcomes

Delegates will:

- Be aware of the context of Norfolk and national SEND data
- Be supported to compare data for their own setting to these data sets and identify key lines of enquiry arising from this
- Understand SEND coding for the census
- Understand how to use the 'Inclusion in a nutshell' tool
