We have much to celebrate in Norfolk schools. Every school has something to offer. The purpose of this '**Spotlight on Norfolk Primary Schools Programme**' is to celebrate those successes and to share good practice.

Manor Field First and Nursery has been developing its use of Interactive whiteboards and looking at ways of embedding ICT in the curriculum. The staff are happy to share their knowledge with colleagues from other schools.

The school will be open to visitors from schools on 3 mornings: 27th, 28th Feb. and 1st March : 9.15 - 12.00 noon

Colleagues are welcome to observe the use of IWBs during lessons and there will be opportunities to talk to staff and try out some of the software. At the end of each morning the Headteacher and ICT subject leader will be available for a question and answer session.

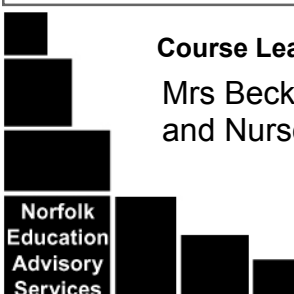

Manor Field First School is also part of the Long Stratton Cluster of schools who have a shared interactive website and support team based at the High School. If you would like to know more about this we will have representatives available from the High School ICT department.

Places limited to 2 delegates per school.

A map showing the location of the school can be obtained by accessing the Schools Information section on Esinet via the following link <http://intranet.esinet.norfolk.gov.uk/>
