A Guide to the New Norfolk Syllabus for Religious Education

This full-day course will offer teachers the opportunity to find their way around the new Norfolk Syllabus in the company of the Religious Education adviser.

The structure of the syllabus will be unpicked and discussed, including its relationship both to the new National Framework and the old 1997 Norfolk Syllabus. Links will be made with the QCA units of work and suggestions for alternative ways of delivering the requirements considered.

Helpful resources will be on display throughout the course and plenty of opportunities given for question and debate.

Please bring with you your copy of the New Norfolk Syllabus 2005.
