### FAO Health and Social Care Co-ordinators

This is to let you know about two meetings we are planning for members of the network this term.

The first, which we sent early information about last term, is on Wednesday 21 June (3.00-6.00pm). We have been invited to the MIND Norwich headquarters at Omnia, 50 Sale Road, Norwich, NR7 9TP, 01603 435621. The meeting will take place in their training room and we shall have two presentations. The first will be from Sandra Flanagan, and possibly one of their service users, about the work of the MIND mental health charity and the services they offer. The other will be from Denise Denis and one of her Care Ambassadors about how the Care Ambassador Scheme is working. This event should appeal to all H&SC teachers and the chance to make some Care Ambassador links should be of particular interest to those of you teaching Health and Social Care in Key Stage 4.

The second meeting - and this is the first information we've sent out about it - is an additional meeting focused mainly on assessment for the new A level specifications though the trainers are happy to provide material for GCSE assessment if there are 11-16 school people there. We had hoped to have this event last term, you will remember, but it didn't materialise. We now have the funding confirmed and Gillian Frankland and Shona Williams have agreed the date. It will be held at Thorpe St Andrew School - Southern Site (Laundry Lane) in the Management Suite (Science Building) on Thursday 29 June from 1.30 - 5.00 pm.

You can book both meetings either on-line or by completing and returning the attached booking form. Confirmation of place and map of the venue will be sent near the dates. We look forward to seeing good numbers of you at both events.

Mike Hodkinson, Adviser Business & WRL
