

Autumn SEND Surgery sessions

Outline

SEND Surgery sessions provide an opportunity for SEND and inclusion leads in mainstream settings to meet with Learning and SEND advisers, ask questions and engage in a supportive professional discussion around meeting the needs of CYP with SEND.

Description

- Each surgery session will consist of an individual 25 -minute meeting with advisers from Learning and SEND
- The surgeries provide settings with an opportunity to seek advice around strategic developments in SEND and cohort level discussions
- Discussion could include themes such as INDES, IPSEF and Element 3 processes, PEaSS/provision, SEN support plans, supporting effective transition and how/where to access training and further advice and support

Outcomes

Delegates will be able to engage in supportive professional discussions and access advice and guidance from SEND advisers
