

## Involving Parents and Carers in Children's Mathematical Learning Key Stages 1 and 2

Date	Time	Venue	Reference
21/6/2006	1.15 - 4.00	West Norfolk Professional Development Centre	6MN006
26/6/2006	1.15 - 4.00	Norwich Professional Development Centre	6MN005

This course aims to:

- explore ways in which parents and carers can be involved in children's mathematical learning
- support schools in raising the profile of mathematics within their community.

This half-day course will enable participants to consider different strategies to engage parents and carers in children's mathematical learning. Participating schools will be able to invite a parent or governor to also attend and discuss with the teacher how this might best be introduced into their school.

One focus of the session will be to look at ways to engage parents and carers of vulnerable children including those who are looked-after children.
