

Leading Mathematics for Newly-Appointed Subject Leaders

Date	Time	Venue	Reference
18/9/2006	9.15 - 3.30	Norwich Professional Development Centre	6MN015
20/9/2006	9.15 - 3.30	West Norfolk Professional Development Centre	6MN016

This course aims to provide support for teachers new to mathematics in their school. It consists of a one-day course followed up by at least half a day of school based support from advisers and experienced leading mathematics teachers who are also effective mathematics subject leaders.

The aims are to develop:

- the role of the subject leader in relation to raising standards and supporting developments within school
- an understanding of the range and possible uses of data available to subject leaders
- an awareness of other sources of information available to subject leaders to support them in this role.
