6/3/2007	9.30 - 3.30	Norwich Professional Development Centre	6SN047

This one-day course will explore the strategies for supporting the teaching of Science at Key Stage 1 and 2 including:

- addressing pupil needs through an awareness of types of Sc1 and a greater understanding of the skills needed for successful engagement in investigations
- effective questioning techniques
- working with the classroom teacher on planning for progression
- use of writing frames
- aspects of science pupils commonly find difficult and so are a barrier to progression.

Extensive referencing to the QCA SoW will be made.
