

## Introduction to F.A.S.T - Fundamental Athlete Support Training

Date	Time	Venue	Reference
19/3/2007	1.30 - 3.30	Bowthorpe Suite, UEA Sports Park	6UN037
26/3/2007	1.30 - 3.30	West Norfolk Professional Development Centre	6UN038

A group of professional people - Anna Suckling, Clare Carrick, Gavin Drake and David Cosford - have teamed together to combine their expertise and experience into a support programme for Physical Education specialists who are involved with Gifted and Talented pupils. They have put together a collection of training modules covering many aspects of being an 'elite' performer that some of our Gifted and Talented students might encounter as they progress along the pathway of their chosen area of activity.

This meeting has been called to provide an opportunity for colleagues to meet the FAST team in person and discuss the impact made, through their work, on our schools' Gifted and Talented programmes. There will be a short introduction from each member of the team about their specialist area, followed by a look at the training modules and how a programme can be tailored to meet the needs of an individual school or cluster of schools in a partnership.

As this course is part of the National Continued Professional Development programme (NCPD PE) there will be no charge at the point of delivery. However, schools will need to cover the cost of supply or use SSCO cover.
