

The Pupil with Asperger Syndrome

Date	Time	Venue	Reference
29/6/2006	9.30 - 4.00	Norwich Professional Development Centre	6WN068
30/6/2006	9.30 - 4.00	West Norfolk Professional Development Centre	6WN069

This day will cover raising awareness of aspects of Asperger syndrome and how these affect the pupil with Asperger syndrome in school, including transitions in a school career.

We will look at strategies to meet their needs and there will be a practical element for delegates to try putting together strategies for themselves.

Delegates will have opportunities to share experiences and knowledge.

It is hoped that we will be able to have someone with Asperger syndrome to talk about their experience at school.

There is no requirement for delegates to have previous knowledge or experience of working with pupils with Asperger syndrome to come on this course.
