

TO HEADTEACHERS IN NORFOLK AND SUFFOLK

Dear Headteacher,

**TTA/AYLSHAM HIGH SCHOOL.
TRAINING SCHOOL CONFERENCE**

Monday 11th March 2002, at Dunston Hall (on the A140, 5 miles south of Norwich)

"GAINING FROM TRAINING" and the development of partnerships

I write to invite you to this 'first' conference jointly organised by the TTA and a Training School in this area.

As you will see from the programme, this event will provide opportunities to hear about the TTA's proposals to create Professional Development Schools, how your school's performance can be enhanced by involvement in training, ideas about partnership, career opportunities for all of your staff, AST's, recruitment, powerful ideas about learning and the potential of the latest educational technologies.

For teachers, supply costs will be met by the TTA. For other delegates, we ask for a fee of £50 to help offset the cost of lunch and for this superb venue.

Please complete the booking form attached and fax your reply to Aylsham High School by the **22 February 2002** in order to secure a place.

We look forward to seeing you on the 11th of March

Yours sincerely

Rob Knee

Director of Training School

Manager of S&N SCITT
