### Course Context/Audience:

We have much to celebrate in Norfolk schools. Every school has something to offer.

The purpose of this popular 'Spotlight on Norfolk Primary Schools programme' is to celebrate those successes and to share good practice.

*'The curriculum in the reception classes is outstanding and the originality and creativity of the staff enable them to offer an exceptionally broad range of stimulating learning opportunities'.*

*'.... children in Foundation Stage make excellent progress'. Ofsted, October 2005*

The Reception unit will be open to visitors during each afternoon. At the end of the afternoon (3.10) there will be an opportunity to discuss delivery of the Foundation Stage curriculum through role-play with our Reception teachers.

**Places are limited to 4 per afternoon per day - a total of 12. We are offering ONE place per school to accommodate as many different schools as possible.**

For a map of the school location please visit the website <http://intranet.esinet.norfolk.gov.uk/>
