TO : HEADTEACHERS OF NORFOLK SECONDARY SCHOOLS

Dear Headteacher

Norfolk & Norwich World Family

Please find enclosed in the courier post a complimentary copy of a locally produced book "Norfolk & Norwich World Family" by Derek Bickford-Smith, which I hope you will pass on to colleagues in school who may wish to incorporate aspects of it into curriculum materials.

Mr Bickford-Smith has been in contact with me for some time to share his immense enthusiasm for what has become a very interesting project based on the Diaspora of Norfolk men and women over the years. You will see that there is a proposal for a further meeting of Norfolk / Norwich places in Canada late in 2005 and the Canadians hope for a significant education linkage through this. If you want further information Mr Bickford-Smith's web site and contact details are in the book.

Hope you find this of interest, best wishes for the new year.

Yours sincerely

Fred Corbett
