

Headteachers in all Northern Area mainstream school and all special schools

Dear Colleagues

Good news from the Northern SEN Team!

We now have an additional SEN Caseworker, a post created in response to the growing caseload of Statemented pupils in North Norfolk. In March we welcomed Ros Hunt to the team. Some of you may already have been contacted by Ros about pupil-specific matters, but I thought I would take this opportunity to clarify for you which caseworker is now responsible for statemented pupils in your school. There has been a certain amount of re-organisation in order to free me from a full caseload to carry out PESO duties: this is now in line with the other area teams and will hopefully result in a more efficient service to schools and parents.

I have enclosed for your reference a list of all schools in the area and their attached SEN Caseworker. I would be grateful if you could pass on this information to your SEN Co-ordinator.

Yours sincerely

Amanda Mawbey
Pupil Entitlement Support Officer
