

**What is your school going to do during Anti-Bullying
Week 2008?**

(17th – 21st November 2008)

**Theme: Difference and Diversity: 'Being different,
belonging together'**

Date: Thursday, 2nd October 4 – 6.15 pm
At Room A64 Hewett High School, East site, Norwich, NR1
2TJ

If your school is unsure what to do during this week then please come and join us at the Hewett School, Norwich. The week's theme is 'Difference and Diversity' which could include a wide range of activities celebrating differences and teaching children the skills needed to keep them safe.

As well as finding out what schools did last year, we will be sharing some of the ideas from the Anti-Bullying Alliance as well as focusing on how to use the SEAL (Social Emotional Aspects of Learning) materials with pupils and school staff. There will be suggestions for assemblies, classroom activities as well as focused group work.

These sessions are **FREE** and are for those working with primary aged children. They will be appropriate to teaching staff.

Workshop Leaders: Rita Adair, Senior Educational Psychologist
Hilary Anderson, Primary Behaviour Support Adviser
