Artwork Competition

Win book tokens for your school.

We are currently preparing the Information for Parents booklets for 2006/7 and are looking for pupil's artwork to illustrate the front covers of the three booklets that will be sent out to parents and schools as well as being distributed in playgroups, pre-schools, nurseries and libraries. We invite you to submit a piece of artwork for the cover of the booklet appropriate to the age range of your school. The three pieces of work chosen will not only be on the cover of many thousand booklets distributed throughout Norfolk but each school will also win £50 of book tokens.

The three booklets are:

A Parents' Guide to Primary, Infant and First Schools in Norfolk
