We have put together a collection of maths games for all schools to hire for maths events in school. To help cover the cost of the new games and enable us to purchase more, a fee of £20 per day will be charged for hiring the collection. If you require any further information or would like to book the games out to use in your school,

You can also find pictures of some of the games and puzzles on the mathematics pages on the Esinet website – <http://www.norfolkesinet.org.uk/>
