Following the success of Issue Two of the B.O.B (Best of Blurb) Magazine that you hopefully received in June 2007, the latest issue is nearing completion and will be distributed shortly.

The magazine, which features a range of articles written by young people and listings of local activities, is being distributed to all high schools, special schools, private schools, and alternative education centres within Norfolk.

Features in this year's issue include an interview with young fathers, articles covering various local outdoor activities, environmentally friendly fashion and all the usual competitions and quizzes.

B.O.B has been planned and produced by young people from across Norfolk in conjunction with Norfolk Blurb, the Norfolk County Council's website for young people. The B.O.B Magazine is targeted to all 11 – 18 year olds in the Norfolk area.

The magazine will be distributed between the 10th and 24th June. You should receive sufficient volumes for all your students within the target age range. Please contact us by Friday 6th June if you wish to make a change to the volume being delivered. If we do not hear from you, we will assume you are happy to receive the delivery.

We wish to thank you in advance for helping to facilitate the distribution of the magazine to your students.
