

## School Bus Waste Wrap Project

**Call for entries to the Waste Reduction Photography project!**

For illustration purposes only – not a real design!

### What will the project involve?

Using **photography** and graphic design skills, school and college students are asked to produce images that would make a bold waste reduction statement on the back of a school bus.

Also required is a short, snappy 'slogan' to reinforce the message.

### Themes

Students are asked to keep their ideas within our three main themes of *waste reduction, reusing and recycling*.

A full pack of further information is available by emailing [swac@norfolk.gov.uk](mailto:swac@norfolk.gov.uk) or calling 01603 222128. Please call to discuss the project further.

### Register your interest now!

**Register by 30 January 09** using the contacts methods above. **Entries** must be with us by **27 May 2009**. The winning designs will be on the buses for over five years ensuring your designs and school/college gets noticed!
