

1 March 2004

**Heads of Science, High Schools,
Science Co-ordinators, Middle Schools**

Please share with colleagues

KEY STAGE 3 SCIENCE

The **Norfolk CASE Network** has been established to support Norfolk schools by offering advice, training and the sharing of good practice. It is for all schools with Y7 to Y9 pupils.

If you are a school using CASE, a similar thinking skills' scheme, or are contemplating introducing one, this network is an extra opportunity for free CPD and resources.

The session will be designed around the background and needs of the networkers.

**Sessions are planned for: 30th March, 26th May and 14th July 2004 at
Norwich Professional Development Centre, Woodside Road,
Norwich. 4.30 – 6.30 pm**

Topics to be discussed:

- Thinking Skills and the 2003 SATs
- CASE for lower abilities
- Alternative routes through
- Bridging
- Networking, including email nets and contacts
- Other items, to be determined by the participants.

If there is enough support, it may be prudent to elect a Chair and secretary for the NCN (Norfolk CASE Network).

I will be attending the Norfolk CASE Network meeting on 30th March 2004
