

Open Evening for school staff at Norwich Castle Museum

Thursday 18th September 18.30-20.30pm

Norwich Castle Museum has a wealth of learning opportunities for your pupils, whatever Key Stage they are at and whatever subject you are teaching, and we would like to show you what we can offer you in a free 'twilight' session at Norwich Castle Museum & Art Gallery.

During this session you will have the chance to:

- find out what workshops and other special events we offer schools
- pick up a resource pack with the latest information about what's on
- tour the parts of the Castle that interest you the most and talk to staff about how it can be used with your class
- handle historic objects from our collections

- chat with museum staff and other school staff over free tea and cake

If you would like to come to this 'twilight' event then please fill in form below.
