Dear Sir/Madam,

I am a County Liaison Officer for Norfolk County Childminding Association and currently working with the Early Years Development & Childcare Partnership. We're working in line with the National Childcare Strategy, with the purpose to promote and recruit Registered Childminding as a career opportunity.

We have designed and organised a series of seminars for people with an interest or involvement in childminding. To publicise these as widely as possible, we would appreciate your help of displaying the enclosed poster and having the flyer accessible, informing Parents and Carers of the opportunities open to them and further contact details.

You are a key part of the community and we hope that working in partnership, we can promote Quality Childcare.

Yours sincerely,

*Sarah Mutch*

# Calling all Childminders and Parents

**Come to the seminars!**

**We need you to make them work!**

**They are designed for you!**

The aim of the day is for childminders to share and develop new ideas to start, sustain, grow and develop a group. If you are part of a group or are interested in starting or joining a group, these seminars are for you!

The day has many opportunities for you to meet other people with an interest in childminding and build friendships.

The seminars offer several workshops:

- Starting your childminding group
- Growing your childminding group
- Running your childminding group
- Who cares for the childminder
- Play ideas
- Developing a safe and natural garden

At each seminar there will be different choices of workshops so that you can hopefully have your first choice. There will be some overlap between seminars but to get your preferred venue please reply quickly.

There will also be presentations on funding from WEETU on the Full Circle Project, as well as by the NCCMA on the services we offer.

The seminars are aimed at childminders, group contacts, group members and parents. If you know of any other interested childminders or parents please let them know. However, spaces are limited, so **don't miss out, book your place now!**

Join us for a fun and friendly day.

**See you there!**
