

Bullying: See it. Get Help. Stop it

Five conferences in Norfolk during Anti-Bullying Week 2006 (20 - 24th November 2006)

Norfolk Children's Services and Norfolk Children's Fund have teamed up to develop five conferences for you during ABW.

The style of each conference will vary but all will include:

- short presentations including an introduction from the local Area Director
- a drama on the theme of the Bystander and in the style of Forum Theatre performed by students from Paston College, Diss High or Framingham Earl High.
- some of the best examples of local anti-bullying practice in schools and communities e.g. Peer supporters or Peacemakers explaining their role.
- opportunities for children/young people to participate.

Conferences are **free** and suitable for Year 5 upwards. Parents and community members are also very welcome. Please invite and pass on this flier to them.

To book places for your school, parents or for further information about events contact Jean Powell on jean.powell@norfolk.gov.uk Please book early - preferably before 10th November.

Places may need to be negotiated according to the different venues.

Dates & venues

20th November

9.45 - 12.45 p.m.
