

NEW TO SENIOR MANAGEMENT?

EASTERN REGION SECONDARY DEPUTY AND ASSISTANT HEAD INDUCTION PROGRAMME 2007-2008

(for new senior leaders in a secondary setting, including middle & special schools)

This is the fourth year of this highly successful programme which offers induction and development to 30 new school leaders through their first or second year of senior leadership.

The programme is built around the issues and questions raised by each new group and provides a rich balance of theoretical input, professional reflection and practical solutions, as the feedback below clearly demonstrates:-

"The course was informative, at times challenging and always enjoyable" Suffolk Assistant Head

"I suddenly realised that I do actually want to be a Deputy Head and intend to be great at it" Essex Assistant Head

"Thanks again for a great course ... I'm now inspired and I'm looking to do NPQH next" Norfolk Assistant Head

"I am now more confident about dealing with difficult staff issues" Hertfordshire Assistant Head

The course begins with a one day induction on Friday 5 October 2007 at the Eastern Leadership Centre, Cambridge, followed by a two day residential on Monday 10 and Tuesday 11 March 2008 at the Huntingdon Marriott; and new to the programme for 2007-08, a final day of future planning and celebration on Tuesday 24 June 2008.

The total cost of this four day programme, including the residential element is £650.00.
